

REMARKS

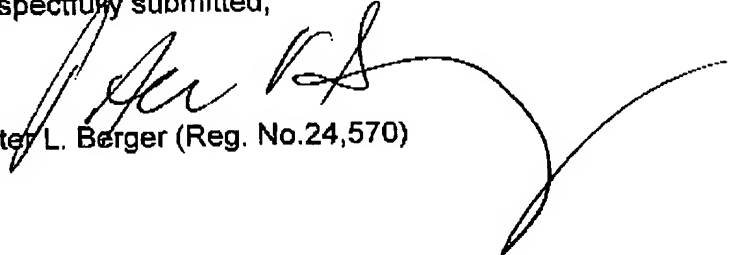

Submitted herewith is an abstract of the disclosure.

The specification has been amended in accordance with the objection listed in paragraph number 3 of the Office Action.

Claims 64-71 have been cancelled while the dependencies of claims 16-20, 25, 27, 44, 72 and 73 have been amended. It is believed the rejection under 35 USC 112 of these claims which depend directly or indirectly on cancelled claim 12 is no longer applicable.

In view of the cancellation of claims 64-71, the addition of the Abstract and the amendments to claims and specification, it is submitted that this application is now in condition for allowance, and early notice thereof is respectfully requested.

Respectfully submitted,

Peter L. Berger (Reg. No.24,570)
